[Excelsior Public Notice extended to Jan 8 2018 \(2\).docx](#)

PN had one more date change. Do we need to public notice in the newspaper or can we use the press brief to reasonably get the word out? (See Section 124.10(c)(4))

Please review and comment on response letter to Pete. The public notice has a changed date at the top of it. How do you want to notice the public?

Attached. EPA has requested clarification about the meeting we're asking for. At this point, this would be an informational hearing, rather than an official hearing with oral testimony. That may come later in the process.

Nancy -- Christine is with Amerind, Roger is with the Coalition, and Ellen is with DCA.

Thanks all,

--Pete
